

OCEANS

Network

• Organisation for Cooperation, Exchange and Networking: Student & Alumni network of international exchange programmes •

Funded by
the European
Union

ABOUT US

WHO - OCEANS Network is a global organisation which connects students and alumni who have participated in an international credit mobility programme between an Erasmus+ Programme country and a university in an Erasmus+ Partner country. The network is run by students and alumni on a voluntary basis, and funded by the European Union.

WHAT - OCEANS Network's mission is to support intercultural exchange as well as the global dialogue between alumni and students. It empowers its members to develop and grow both at a personal, and a professional level. OCEANS also enhances the internationalisation of higher education by supporting universities around the world to take part in international credit mobility programmes.

WHERE & WHEN - Members of the OCEANS Network can join events all over the world on a variety of topics related to our goals (travel and accommodation costs included!). Besides, members can apply for their own project in the framework of the ESAA projects scheme.

FLAGSHIP EVENTS

ANNUAL GENERAL MEETING · AGM

The AGM is held every year in a different country. The participants can listen and learn from the experience of different guest speakers, participate in workshops, debate and work on strategic documents for the network like the Annual Working Plan. The socialising and networking is also an important part of this flagship event.

THE ERASMUS GLOBAL PARTNERSHIP · EGP

The Erasmus Global Partnership (EGP) series espouses The United Nations Sustainable Development Goals (UN SDGs) with special focus on empowering youth civil society. Every year, the project is held on a different continent.

OCEANS ACTIVITIES

- ESAA Capacity Building in International Project Management held in Budapest, Hungary (2019)
- ESAA Summer Seminar and OCEANS Network Working Group held in Bonn, Germany (2019)
- GSI Summer School in Belgium and Luxembourg (2019)
- OCEANS Network: DC Community group meet up in Washington DC, United States (2019)
- EU-Young Leadership Seminar in Brussels, Belgium (annually)
- OCEANS Network Annual General Meeting (annually)
- Annual General Meeting of Partner Organisations (annually)
- Erasmus Global Partnership (annually)

And many more ...

WHY AND HOW TO JOIN US

Becoming a member of the OCEANS Network is your passport to our globalised, international world. You can take part in our events around the globe, attend capacity building workshops and seminars, apply for and organise your own project or event to promote Erasmus+ programmes, connect with interesting people, and have fun!

The OCEANS membership is career-enhancing, allows you to have a crucial impact on our community, and keeps you connected with the world. Expand your horizons, increase your opportunities and start communicating at an international level by **Joining the OCEANS NETWORK!**

For more information and the detailed criteria for membership eligibility, please visit the OCEANS website: oceans-network.eu.
