Are you going to be the next President or Vice President of OCEANS?

The OCEANS Network is looking for two new leaders to represent the Erasmus+ international credit mobility students in the world and within OCEANS. Are you an Erasmus+ student or alumnus who have been on exchange outside of the EU? Or a non-European who has done an Erasmus+ exchange in Europe? Then you may be the next OCEANS Network President or Vice President.

Why apply for the President and Vice President of OCEANS?

Volunteering in OCEANS is a great chance to learn new skills, to gain some valuable working experience and, not less importantly, to meet new friends from all over the world and build up your personal network with people from all over the world.

Eligibility

Membership as part of the OCEANS Network, or as part of Erasmus+ international credit mobility student or alumnus is required. A detailed list of the ideal characteristics of the candidates is available here for President and here for Vice-President.

Please fill in the form at the following link by December 20th. If more than one person enters their candidacy, OCEANS will host an internal election to determine the next President and Vice President.
