## **OCEANS Networking in Washington, DC**

by Tyler Underwood

Appetizers were served and the room was packed in early December as OCEANS Network had a local professional networking event in Washington DC at the lively pub: The Big Board. OCEANS members mingled with local international professionals as well as spread the word about OCEANS Network and ESAA. USA-East representative Tyler gave a short speech on OCEANS Network and the local community project in DC. Finally, glasses were raised as OCEANS Board member Jessica was bid farewell on her move to France and we wish her and her family all the best. If you are interested in joining any upcoming events in DC please check out the following link: <https://www.meetup.com/OCEANS-Network/>
