Hello,

In the recent OCEANS newsletter, it mentioned that spots for the 2020 AGM were already reserved.

This was a mistake.

Please **do not** purchase plane tickets until you receive an email from either the service provider or one of the OCEANS board members confirming your spot at the AGM.

Our apologies for the error.

If you have any questions, please let us know at board@oceans-network.eu

Thank you,
OCEANS Board
